Comments:

Exceptionally good course - Well worth the cost.

Outstanding dynamic presentation! Best Ever! Thank

you!

Terrific Speaker - BEST CEO So Far!

One of the best instructors I have ever met!

What a Performer!

The most inventive, creative presenter ever - Took the

Class three years ago - hiked him for three jobs, course entirely refreshed.

Speaker's passion and knowledge for what he does is to be envied.

You will not fall asleep in Steve's class.

Course Summary

Comments Continued:

Enjoyed his passion for his profession and his willingness to share.

He is really entertaining as well as knowledgeable. Great!

He is great- what an effort! Bravo!

Excellent, terrific presentation.

Wish I had him in college - Good at explaining difficult scientific terms and technology.

I am embarrassed that several class members talked through the class - I feel bad for Steve.

Very technical but interesting. Great info.

Help to show examples of fixtures to go with pictures, too deep for this audience.

Please do not quote prices, could be misleading, or get pricing from your sponsor.

The last part of the presentation should have been the folds.

Would have liked more specifics on fixtures.
